Receive your information pack, and information about the coming days. Depart on a spectacular scenic flight via Walvis Bay, over the Salt works south along the Skeleton Coast. See amazing sights of Seal colonies strewn along the coastline, and fly past Sandwich harbor to Conception bay where you will see the Shipwreck of the Eduard Bohle, before you turn inland over the Namib Desert. Fly past the desolated diamond camps, before you turn over Sossusvlei and Dead Vlei, and land just before sundown at the lodge. Transfer to the Lodge, and check in before Dinner is served.</p> <p>www.sossusvleilodge.com</p> <p>Sossusvlei Lodge is situated right at the entrance gate to the famous Sossusvlei and Sesriem Canyon, lets you enter a classic lifestyle of comfort, filled with the thoughtful touch of attentive staff. The decor speaks of the art, culture and traditions of African furnishings with soft finishes of inviting comfort. Sossusvlei Lodge uniquely crouches almost unnoticed in a vast ocean of unparalleled desert beauty.</p> <p>Exploring the magical world of the oldest desert, the Namib desert is our forte. The Sossusvlei area is famous for some of the highest dunes on earth, rich in contrast of colour and shape. Guided 4-wheel drive excursions take you deep into the wonders of this ancient region.</p> <p>Shaded by camel thorn trees, Sossusvlei Lodge is testament to the ingenuity of an eco-friendly design. Accommodation at the Lodge comprises 45 en-suite bedrooms under canvas with adobe-style plaster walls all spread out on either side of the main recreational complex. The décor speaks of African art, culture and tradition while furnishings with soft finishes invite comfort and warmth. When one enters Sossusvlei Lodge, one enters a classic lifestyle of comfort, filled with the thoughtful touch of attentive staff. Solar energy supplies the lights in all rooms.</p> <p>Excellent cuisine under the guidance of the Lodge's executive chef is the order of the day in the restaurant and on the al fresco terrace, where one can savour a gourmet meal with great food and wine while taking in the splendid views and watching the passing parade of Oryx, Springbok jackal, ground squirrel and hyena at the nearby floodlit waterhole. Indeed a visual and culinary contrast, if one bears in mind the relative remoteness of this exceptional location.</p>
