

ATWS Eklutna Lake Group Adventure

Eklutna State Recreation Area boasts the largest lake in the Chugach State Park, Eklutna Lake. Serenity abounds as your guide takes you backcountry through miles of spectacular scenery along pristine turquoise waters. Eklutna Lake is surrounded by the Chugach Mountains, home to moose, Dall sheep, and both black and brown bears. In addition to an exciting ride on an all-terrain vehicle, guests will get to experience kayaking on the beautiful blue waters of Eklutna Lake. Both single and double kayaks will be available for use.
