Hiking | Cycling | Jeep touring | Cultural Touring

Masar Ibrahim Al-Khalil is Palestine's long distance cultural walking route. Extending 330 km from the village of Rummana in the northwest of Jenin to Beit Mirsim southwest of Al-Haram al-Ibrahimi (Ibrahimi Mosque) in Hebron. The route passes through more than fifty cities and villages where travelers can experience the legendary Palestinian hospitality.

Over 5 days, after a visit to the holy city of Jerusalem, travelers will experience sections of this route (Masar Ibrahim), hiking and biking from the green hills of the northern West Bank passing through the desert south of Jericho to Bethlehem. Actively traveling through the varied landscapes, biodiverse areas, archaeological remains, religious sites, and modern day lively villages, travelers experience rich Palestinian culture and heritage.

Palestinians, like their neighboring Arabs, are known for their welcoming warmth and friendliness, important values associated with Abraham (Ibrahim). There is plenty of opportunity to have valuable encounters with local communities who share the generosity of their ancestors along the way, often over a meal of delicious Palestinian cuisine. The food boasts a range of vibrant and flavorsome dishes, sharing culinary traits with Middle Eastern and East Mediterranean regions.

Highlights:

- Experience Palestine from a different perspective – insights that go beyond the usual headlines
- Hike and bike through beautiful landscapes
- Witness history in Sebastiya, Jericho, Bethlehem, Jerusalem

ITINERARY

Day 1 - May 10:

Our trip begins today with a 9:00am pick-up at the Kempinski Ishtar Hotel Dead Sea, the location on AdventureNEXT Near East. We transfer to the Jordan/Palestine border at Allenby Bridge which crosses over the Jordan River. After border formalities, we have lunch and tour through Jerusalem, a holy city for three of the world's great religions - Islam, Judaism, and Christianity - which is also one of the oldest continuously inhabited cities in the world. We visit many important religious sites including the Dome of the Rock (Qubbat As-Sakhra) which is the third holiest shrine for Muslims, Al Aqsa Mosque known as Al Haram Ash-sharif, Mount of Olives, as well as the Church of the Holy Sepulcher, containing the most holy sites of the crucifixion and resurrection of Jesus Christ. Afterwards we will continue to Sebastiya, the ancient city later named Sebaste in honor of the Roman Emperor and sponsor of the city's renovation. After checking into our guesthouse, we have dinner followed by a Dabke (traditional Palestinian dance) demonstration by a local cultural group.

After a delicious breakfast prepared by the homestay owners, we begin our hike at Ain Samia. We pass the fields of zatar (a Middle Eastern herb) before following a path out of the valley bottom past the remains of an old Byzantine era church. After crossing a ridge, the path drops down into Wadi al-

'Auja, a deep, rugged wadi that runs to Ein al-'Auja (Al-'Auja Spring) in the Jordan Valley. Wadi Al-'Auja is home to an impressive array of plant life as it descends from the higher elevations of the Palestinian highlands to a point around 50m below sea level at Ein al-'Auja, a popular, local picnic spot. From Ein Al-'Auja, the trail follows the wadi and ancient Roman aqueducts, used divert water from Ein al-'Auja to Jericho. Our hike ends at the Al-'Auja Bedouin community, where we enjoy lunch. After lunch, we head to Jericho to discover one of the oldest cities in the world by bicycle. Jericho, with its calm atmosphere and rich heritage, is a true oasis. Highlights include the Mount of Temptation, Tell es-Sultan, and the winter palaces of Hisham and Herod the Great. A well-deserved Bedouin meal awaits the group at the Sea Level Community.
