

BUSINESSES TAKING CLIMATE ACTION

We're proud to share with travelers this list of travel companies who are taking climate action seriously. The companies in the list participated in Tomorrow's Air Convene, an event bringing together climate conscious travelers and travel businesses and have taken at least one of the following actions:

- **Joined Tomorrow's Air as a Subscriber to Remove and Permanently Store CO2**
- **Joined Neutral Together, Offsetting CO2 Emissions With Nature-Based Solutions**
- **Signed the Adventure Travel Trade Association Commitment to Climate Action Pledge**
- **Joined Tourism Declares a Climate Emergency**

For travelers who want to keep the joys and benefits of travel possible into the future, these companies deserve your business.
